Vancouver, BC

March 18, 2019

### **Interfor Publishes 2018 Corporate Sustainability Report**

**INTERFOR CORPORATION** ("Interfor" or the "Company") (TSX:IFP) announced today that it has published its 2018 corporate sustainability report; it can be viewed online: [www.interfor-sustainability.com](http://www.interfor-sustainability.com).

The report highlights Interfor's continuing commitment to making quality lumber products, managing forests sustainably, providing meaningful and safe jobs for employees, investing in its facilities, operating to strict environmental parameters and supporting local and First Nations communities. In addition, a new chapter was added on climate change to highlight the work done by the Company to mitigate environmental impacts and promote the environmental benefits of building with wood.
