

Chain of Custody Certificate

This is to confirm that KPMG Performance Registrar Inc. has examined the procedures of

Interfor Corporation

P.O. Box 49114, Four Bentall Centre, 3500-1055 Dunsmuir Street, Vancouver B.C., V7X 1H7

and determined that the Company maintains chain of custody and sales tracking systems which form a reasonable basis for: (1) tracking the source of wood fibre processed by these facilities, and (2) ensuring that the output from these facilities, which is claimed to be "SFI-certified", will not exceed the amount of wood fibre coming into these facilities from SFI certified woodlands operations*.

The Company's Chain of Custody system conforms in all material respects to the requirements of the SFI 2015-2019 Chain of Custody Standard.

This Chain of Custody System certification applies to the following:

The manufacture and sale by Interfor Corporation and its wholly owned subsidiary Interfor Sales and Marketing Ltd. (collectively 'Interfor') of softwood lumber, exterior wood products (decking and siding) and wood chips/sawdust produced at the following Interfor sawmills and related custom cut operations: Acorn Sawmill, Hammond Sawmill including CedarPrime, Adams Lake Sawmill, Castlegar Sawmill, Grand Forks Sawmill.

This chain of custody certification is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Performance Registrar Inc. and the holder thereof. Chain of custody certification does not assure the regulatory compliance or continued conformance with the applicable standards by the certified woodlands operations from which wood fibre is obtained. *SFI certified woodlands operations are those which are certified under the Sustainable Forestry Initiative (SFI®) standard.
