

Lumber Products: Interfor has third-party certified Chain of Custody (CoC) tracking and fiber sourcing procedures across our operations in Canada and the United States to verify logs are procured from legal and sustainable sources.

Fiber Sourcing (Canada and United States)

- Sustainable Forestry Initiative® (SFI) Fiber Sourcing Certification at all operations in the BC Interior, Ontario, Quebec, Bathurst New Brunswick, and the United States

Chain of Custody (Canada and United States)

- Independently certified to Programme for the Endorsement of Forest Certification (PEFC) at a number of the Canadian operations
- Sustainable Forestry Initiative (SFI) Chain of Custody at all operations in the BC Interior, Ontario, Quebec and the United States
- Forest Stewardship Council® (FSC®) Chain of Custody at the Northeastern Ontario and Quebec sawmills

Environmental Management

- Environmental auditing program in place at all facilities

Woodlands: 100% of Interfor's forest operations in Canada are independently certified to internationally recognized standards.

EMS - Environmental Management System

- Fully functioning EMS supports SFI certification
- Monitored and reviewed for continuous improvement
- International Standards Organization (ISO) 14001 Environmental Management System Certification for Woodlands operations in Ontario and Quebec

SFI - Sustainable Forestry Initiative

- Internationally recognized non-profit, independent forest certification program
- Endorsed by PEFC

FSC – Forest Stewardship Council
